

MY VISIT TO

THE REGNIER FAMILY

WONDER SCOPE

Children's Museum of Kansas City

Visual Schedule Instructions

I am going to learn, grow, and play at Wonderscope today! There are a few things I need to do to plan my visit.

- 1) I can print this document, it will be my guide. Using this document, I can decided what to see, do, and learn on my visit.
- 2) I can cut out the **orientation flashcards** on page 3 and bring them with me on our visit. These will help me communicate what I want and need while on our visit.
- 3) I can cut out the **exhibit flashcards** on pages 4-5 to show what things I want to see and do in the museum.
- 4) I can glue the cards onto my **visual schedule** pages on pages 6-8.
- 5) I can bring my visual schedule, orientation flashcards, and a pencil with me to the museum. When I see a picture from my visual schedule, I can mark it off with a check mark!

What is a Visual Schedule?

It is a guide that has pictures and descriptions. I can use it as a scavenger hunt.

I need a break.

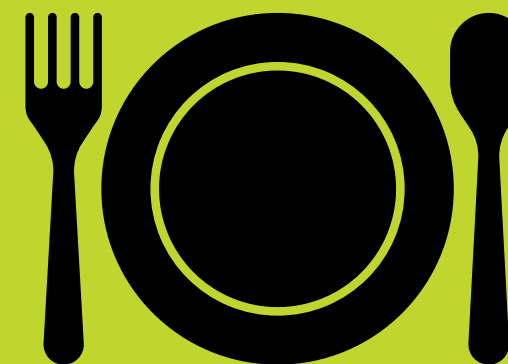

I need a quiet area.

I need to use the restroom.

I need a drink of water.

I am ready to eat.

Where is the front desk?

I am ready to go home.

I have a question.

I need help.

Crossroads of Past and Future

WonderMart

WaterWorks

On the Move!

Wonder Climber

Kid City/Tot Spot
