Wonderscope's Annual Butterfly Release

WHAT: Wonderscope Children's Museum is hosting a butterfly release to cap off our Bug Week.

WHO: The Regnier Family Wonderscope Children's Museum of Kansas City

WHEN: Friday, September 19, 2025 | 10:00 AM

WHERE: 443 E. Red Bridge Rd.
Kansas City, MO 64131

DETAILS: The week of September 16 is all about "all things bug-related" at Wonderscope Children's Museum. In partnership with Green Pest Solutions, this bug-tastic week will feature a variety of bug-themed programs and activities, culminating in the release of more than 100 Painted Lady butterflies on the final day of this exciting week. The week's activities are free with Wonderscope admission or membership.

About The Regnier Family Wonderscope Children's Museum of Kansas City

Wonderscope is the region's only fully accessible, non-profit children's museum dedicated to providing STEAM— Science, Technology, Engineering, Arts, and Math – educational experiences for young children and their families. The museum features more than 15,000 square feet of indoor exploration and a half-acre of year-round outdoor adventure. Wonderscope's mission is to spark a lifelong love of learning through the universal and uniting power of play. Learn more about the museum at wonderscope.org.

About Green Pest Solutions

Green Pest Solutions offers residential and commercial pest management services in the Kansas City area. Their vision is to provide people with spaces where they feel safe, healthy, and at ease through safer yet effective pest control solutions.
