

Crossroads of the Past and Future

Learning Opportunities

Skills: social emotional/self-control, literacy, curiosity/initiative

Activities

- Listen for the different locomotive sounds as the train chugs along the track.
- Pack a suitcase with helpful items for travel.
- Build a fireside campsite and take turns roasting marshmallows.
- Change the scene on the screen and travel to different locations throughout the country.

Questions

- Can you stack and balance 10 rocks from the covered wagon?
- Can you crawl up the ramp and through the smoke stack engine?
- What living things could you find near a river or around tall grasses and fields?
- Where do the rivers in our city go? Does that water end up in an ocean?
