

# Creation Station: Art Studio

## Learning Opportunities

Skills: social emotional/self-control, math/steam, thinking, physical activity, literacy, curiosity/initiative

### Activities

- Create a collage out of cut/torn shapes.
- Paint a picture of someplace you'd like to go or a story you read.
- Try some new materials and see what you can do with them.
- Use a new tool to create art.

### Questions

- Why did the paint behave one way on one kind of paper and differently on another?
- What new materials did you try today?
- How many ways can you put these shapes together?
- What does that material feel like? Soft? Squishy? Hard? Cold?
