

# Naturescape

## Learning Opportunities

Skills: social emotional/self-control, physical activity, curiosity/initiative

### Activities

- Dig into the raised garden beds to uncover loose materials.
- Create your own music with instrumental flower drums.
- Direct the ramps, gears, and pulleys to move sand from the silo to the pit.

### Questions

- What makes city parks so unique and why do people want to visit them?
- How does the food from the farm get to our home?
- Which animals and insects live near and around my home and neighborhood?
- What materials and tools are needed to build a treehouse?
